

Havruta Warm-Up

Early Elementary

To begin building your partnership with your havruta, please read the list of Havruta skills below and answer the questions.

Havruta Skills

- a** Reading the text
- b** Asking questions about the text
- c** Asking my partner if they have an idea to share
- d** Asking my partner questions about their ideas
- e** Sharing my ideas out loud
- f** Pointing to evidence in the text for my ideas
- g** Listening attentively to my partner
- h** Taking turns talking
- i** Working together with my partner to figure things out when the meaning is hard to understand
- j** Using other resources to help figure things out, like dictionaries
- k** Being kind to my partner
- l** Being respectful of the text
- m** Other _____

1 What is one thing you are really good at on this list?

2 What's one thing that you could get better at and is a challenge?

3 Share what you wrote with your havruta partner.

4 How can you help each other get better at what you wrote for #2? Write down one thing you will do to help your partner get better at their challenge:
